*WV, ND, AL, AK, AR, FL, GA, ID, IN, IA, KS, KY, LA, MS, MO, MT, NE, NH, OK, SC, SD, TN, UT, VA, WY

NOTE:

In many lawsuits challenging government action, the plaintiff also files a motion for preliminary injunction (PI). A PI is a court order designed to protect a plaintiff before a full trial, often by temporarily preventing a challenged law or policy from going into effect. The district court's decision on the motion for PI may indicate how the court will ultimately resolve the case.
